To Whom It May Concern,

I am writing to offer my highest recommendation for Juan Jose Saavedra as a potential member for your golf program. I have had the privilege of knowing and coaching Juan Jose for 3 years as his golf coach at CompEdge Golf Performance, and I have been impressed with his exceptional dedication, consistency, skill development, and character both on and off the course. Juan Jose is a disciplined athlete who has demonstrated remarkable talent in golf. Juan Jose possesses a strong work ethic, always striving to improve and pushing himself to reach the high standards he sets for himself. Juan Jose has the ability to maintain a balanced perspective on competition and always shows respect for the game, the coaches, and fellow players.

In addition to his athletic abilities, Juan Jose has displayed a high level of leadership through his actions both on the course and within our training program. He leads by example, encouraging other students and fostering a sense of consistent work ethic that has contributed to a positive and motivating training environment. His communication skills and ability to stay focused under pressure make him not only a valuable asset to the team but also an inspiring leader to others. He has proven himself to be a disciplined and focused individual, capable of juggling various responsibilities without compromising on performance. This dedication to both academics and athletics is a quality that will serve him well as he pursues a college education as a student athlete.

I am confident that Juan Jose will continue to thrive in a collegiate team environment, both as a student and as a member of your golf program. He has the talent, determination, and integrity to make a significant impact at the next level, and I fully support him in his pursuit to achieve his goals.

If you have any questions or require further information, please feel free to contact me at 330-801-8300 or davidshenosky@compedgegolf.com. I have no doubt that Juan Jose will be an outstanding addition to your men's golf program and university.

Sincerely,

David Shenosky
