

CRENSHAW
ACADEMY

April 24, 2025

To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for Juan Saavedra, a remarkable student at Crenshaw Academy. Juan, who joins us from Colombia, has consistently demonstrated excellence in both his academics and his character.

Living away from home as a young student can be challenging, yet Juan approaches this with maturity, independence, and resilience. He has become a respected member of our school community, not only because of his academic achievements, but also due to his genuine kindness and strong sense of responsibility.

Juan is a student-athlete, dedicated to pursuing golf at a competitive level. Balancing the demands of athletic training with a rigorous academic schedule requires discipline and commitment—qualities that Juan possesses in abundance. His work ethic is truly impeccable. He approaches every assignment, project, and challenge with focus, determination, and a desire to excel.

It is rare to come across a student who so effortlessly blends academic strength, athletic drive, and personal integrity. I am confident that Juan will bring the same level of dedication and excellence to any endeavor he chooses to pursue.

Please feel free to contact me if you require any further information.

Warm regards,

Tanya Williams

Principal
